Certification Regarding Beneficial Owners of Legal Entity Customer

Account Number: _____

I. General Instructions

What is this Form?

To help the government fight financial crime, Federal regulation requires certain financial institutions to obtain, verify, and record information about the beneficial owners of legal entity customers. Legal entities can be abused to disguise involvement in terrorist financing, money laundering, tax evasion, corruption, fraud, and other financial crimes. Requiring the disclosure of key individuals who own or control a legal entity (i.e., the beneficial owners) helps law enforcement investigate and prosecute these crimes.

Who has to complete this form?

This form must be completed by the person opening a new account on behalf of a legal entity with any of the following U.S. financial institutions: (i) a bank or credit union; (ii) a broker or dealer in securities; (iii) a mutual fund; (iv) a futures commission merchant; or (v) an introducing broker in commodities.

For the purpose of this form, a **legal entity** includes a corporation, limited liability company, or other entity that is created by a filing of a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in the United States or a foreign country. **Legal entity** does not include sole proprietorships, personal trusts, unincorporated associations, or natural persons opening accounts on their own behalf. An **excluded entity** includes a state or federally supervised financial institution, a government entity, a publicly traded company listed on a major exchange or their subsidiary, or a state regulated insurance company (**See page 4 of this document**).

What information do I have to provide?

This form requires you to provide the name, address, date of birth, physical residence address, Social Security Number (or passport number or other similar information, in the case of foreign persons), identification information, phone number, and percent of ownership for the following individuals (i.e., the **beneficial owners**):

- (i) Each individual, if any, who owns, directly or indirectly, **25 percent or more** of the equity interests of the legal entity customer (e.g., each natural person that owns **25 percent or more** of the shares of a corporation); **and**
- (ii) An individual with **significant responsibility** for managing the legal entity customer (e.g., a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President, or Treasurer).

Certification Regarding Beneficial Owners of Legal Entity Customer

Account Number: _____

The number of individuals that satisfy this definition of “beneficial owner” may vary. Under section (i), depending on the factual circumstances, up to four individuals (but as few as zero) may need to be identified. Regardless of the number of individuals identified under section (i), you must provide the identifying information of one individual under section (ii). It is possible that in some circumstances the same individual might be identified under both sections (e.g., the President of Acme, Inc. who also holds a 30% of equity interest). Thus, a completed form will contain the identifying information of at least one individual (under section (ii)), and up to five individuals (i.e., one individual under section (ii) and four 25 percent equity holders under section (i)).

The financial institution may also ask to see a copy of a driver’s license or other identifying document for each beneficial owner listed on this form.
